Welcome to Berlin!

We cordially invite you to join our 7th X-ray Forum to be held from **30th August to 1st September 2011 in Berlin**, the capital city of Germany.

The Forum is targeted at experts, current and future users of all aspects of high-resolution 2D X-ray microscopy and 3D computed tomography in research and industrial practice, e.g. industrial failure analysis like casting or electronics inspection, materials science, geology, bio-medicine as well as 3D metrology and other radiography solutions in general.

Join GE community of X-ray system users, meet leading-edge researchers as well as our sales, service and application experts, learn about the latest X-ray technology developments and scientific and industrial applications. Additionally, join 2D and 3D practise tutorial courses to learn how to increase the effectiveness of system usage and optimize the quality of your inspection and measurement results.

For more program details and online registration, visit our web site **www.ge-mcs.com/phoenix**

If you have any further questions regarding the X-ray forum, don't hesitate to contact us!

Looking forward to meet you in Berlin, one of the most cosmopolitan and vibrant cities in the world!

Preliminary program

Tuesday, August 30, 2011

- Opening & Introduction (12:30)
- Developments: Systems, Software, Solutions
- Electronics Inspection
- Evening program:
  Berlin sightseeing cruise on river Spree
  including dinner on board

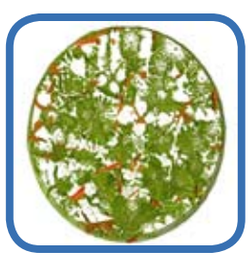
Wednesday, August 31, 2011

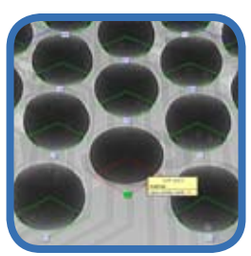
- Industrial 2D X-ray Inspection
- Casting Inspection
- 3D Composite Applications
- Lunch in Estrel Atrium Restaurant
- 3D Metrology with CT
- Oil & Gas Applications: Geology and Pipes
- Evening program:
  Tour by bus along some Berlin places of interest
  Guided tour through German Museum of Technology
  Barbecue at the Berlin Airlift Raisin Bomber Terrace

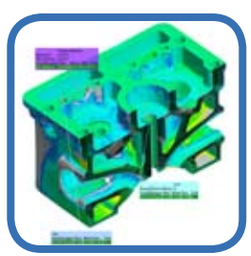
Thursday, September 1, 2011

- High-Resolution CT Applications
- 3D Industrial Quality Analysis
- Closing remarks

The program ends at 01:15 pm







Location

The 7th X-ray Forum will be held in the **Estrel Convention Center in Berlin**, Europe's largest convention and hotel complex. For conference attendees, a limited room contingent is reserved. (single room rate incl. breakfast for 98,-€ per night). For reservation just refer to the code „GE X-ray Forum".

Email: **reservierung@estrel.com** | Web: **www.estrel.com**
Tel: +49 30 6831 22522 | Fax: +49 30 6831 2345

Tutorials

Each participant has the opportunity to join up to 2 tutorials. These will be held by experienced application engineers working with the latest 2D inspection or 3D CT systems in English and German.

- **Automated 2D inspection** with phoenix x|act
- **Advanced 2D inspection** (tips, tricks & tools)
- **Automated 3D CT** with phoenix datos|x 2.0
- **Advanced 3D CT** (tips, tricks & tools)

Registration

Registration is required for all X-ray forum participants via fax reply or online at **www.ge-mcs.com/phoenix**.

Registration fee: 350,- €,
Registration deadline: August 15, 2011
Special discounts for one day visitors

The registration fee includes the expenses for the participation, at the conference as well as at max. 2 tutorials, lunch, refreshments during the coffee breaks, and two evening events including sightseeing tours and dinner.

Please make your choice:

- ☐ Yes, I will attend the 7th X-ray Forum
- ☐ Yes, I will participate in the evening program ☐ Vegetarian food

Preferred language: ☐ English ☐ German

Preferred 2 tutorials: ☐ Automated 2D inspection ☐ Automated CT
☐ 2D tips, tricks & tools ☐ 3D tips, tricks & tools

Preferred 2 museum guided tour topics: ☐ Telecommunications
☐ Seafaring
☐ Aerospace

Registration fax reply
